## IN MEMORIUM

Charles B. Robinson of Greensboro died on the 7th of April 1984. He was in Hampton, Virginia leading the Oasis Temple Shrine Band in competition as he had for nearly forty years.

Mr. Robinson was one of the founding fathers of N.C.N.A. He was one of the six people who met to found the North Carolina Coin Clubs Association in 1959. This was the first statewide numismatic organization in North Carolina and grew to become today's North Carolina Numismatic Association. Charlie served as the first president of the N.C.C.C.A. in 1959.

*The N.C.N.A. JOURNAL is the official publication of the North Carolina Numismatic Association an educational, non-profit organization dedicated to the advancement of the hobby of numismatics. It is published four times yearly in Raleigh, North Carolina.*

## PRESIDENT'S MESSAGE

A beginning word on the '83 "doubled reverse cent." Earlier error specialist were "saying" triple hubing, thus my error in the last Journal. Figures on totals are now predicted to be in the 10-15,000 range, and prices on XF-AV $150 to C.B.U. at $350. Many of those seen by me were well covered with the usual copper bubbles. Most coins being "found" are in the XF-AV grade. One large word of caution being there are many like coins that bear what is known as machine doubling so be careful!

As we come to the end of another NCNA YEAR I hope you have purchased one numismatic book to enlighten you in our great hobby, and were able to add that (one) much needed coin to complete or nearly so your (one) collection.

Perhaps this was the year you decided to run for a seat on the board, write an essay for the Journal, give a lecture (somewhere) or perhaps you have at last decided to put that exhibit together that could possibly win that "Best of Show." Our hobby is wide open to ways each of us can be of service all we have to do is do our best. If "none of the above" surely now is the time to start planning to do "all of the above."

H. Fred Simpson, Jr. President

## A CHALLENGE TO OUR READERS

Can you name the only country in the world that issues all denominations of its currency in the same size, shape, and color?

## A CHALLENGE TO OUR READERS

The peace dollar on the front cover of this issue has a total of four mottoes: e pluribus unum, Liberty, In God We Trust, and Peace. Can you name any other coin that contains as many (or more) separate words or mottoes that are not necessary to identify the issuing authority, the value, or the date of the coin?

# NOMINEES FOR N.C.N.A. OFFICES

While nominations may be sent to the Secretary at Box 20653, Greensboro, N.C. 27420 as late as 28 July and be included on the ballot, the NCNA JOURNAL is publishing brief biographies of all those persons whose nominations have been received by press time. We are proud to offer our members such a large selection of well qualified candidates. The full slate will be repeated in the convention issue which you should receive about the first of September.

## OUR COVER

The so-called "peace" dollar was designed by Anthony DeFrancisci, and its origin can be traced to a paper by Farran Zerbe presented at the 1920 American Numismatic Association convention. Although a bill was introduced calling for such a coin, no congressional action was ever completed and the coin was issued on the Mint's authority to change the design on its own after a period of twenty-five years. The last change in the design of the dollar had occurred in 1878.

Although nominally a "commemorative" honoring the end of World War I (then referred to as the Great War), the design was struck regularly for eight years and then again in 1934, 1935, and in 1964. The numismatic community is still hoping that some of the 300,000 struck in 1964 escaped the melting pot.

## SALES TAX LEGISLATION

The following bill has been introduced into the short session of the North Carolina Legislature by Senator Craig Lawing and Representative Dwight Quinn.

### A BILL TO BE ENTITLED

**AN ACT TO PROVIDE A SALES TAX EXEMPTION FOR LEGAL TENDER AND PRECIOUS METAL BULLION.**

The General Assembly of North Carolina enacts:

Section 1. G.S. 105-164.13 is amended by adding a new subdivision to read:

"(37) Sales of currency and coinage that now constitute or at one time constituted legal tender of the United States or of a foreign country, and sales of precious metal bullion. 'Precious metal bullion' means an elementary precious metal, such as gold, silver, or platinum, that has been smelted or refined and whose value depends upon its metal content and is not enhanced by its form."

Section 2. This act shall become effective July 1, 1984.

The above bill was approved by the Senate Finance Committee at a hearing attended by a dozen coin dealers. It was approved by the whole Senate on June 21, and by the House Finance Committee, but has been rejected by the whole House.
